

How to share your certification on LinkedIn

All Certification exams on Mimecast University have certifications that are available for download and sharing on social media platforms such as LinkedIn

1. Once you have passed the certification exam, Click on the 3 bars in the upper left hand corner> My Activities > Courses to find the certification.

2. Once you are in the courses tab, find the course you received the certification for and click the badge icon to download the certification.

EDU_ILT_M107-AT	Awareness Training: Fundamentals	IN PROGRESS	8/26/2021		0s	
EDU_EXAM_DMARC	Exam: DMARC Analyzer	COMPLETED	9/20/2021	10/19/2021	0h 38m 93.30	
EDU_ILT_SEG_SAA_101	Secure Email Gateway: Setup and Administration Fundamentals	IN PROGRESS	8/12/2021		0s	

3. Once the Certification is downloaded and saved, sign into LinkedIn.com and select "Start a post"

4. Select the add a document icon in the lower right hand corner and select the certification file, enter a title, add a description, then post.
