

Evaluation Agreement

This Evaluation Agreement (the “Agreement”) governs the use of the Mimecast Services for evaluation purposes unless a separate written agreement has been agreed with Mimecast for the purposes of evaluation of services, in which case such agreement will prevail.

BY CLICKING ‘I ACCEPT’ YOU (i) AGREE TO THE TERMS AND CONDITIONS OF THIS AGREEMENT WHICH WILL FORM A BINDING CONTRACT BETWEEN MIMICAST AND THE CORPORATION, BUSINESS OR ENTITY YOU REPRESENT (THE “CUSTOMER”); AND (ii) YOU REPRESENT AND WARRANT THAT YOU HAVE THE POWER AND AUTHORITY TO BIND THE CUSTOMER TO THIS AGREEMENT. IF YOU DO NOT AGREE TO THE TERMS AND CONDITIONS OF THIS AGREEMENT, OR YOU DO NOT HAVE THE POWER AND AUTHORITY TO ACT ON BEHALF OF AND BIND THE CUSTOMER, DO NOT PROCEED TO ACCEPT THE TERMS OR CONTINUE WITH THIS EVALUATION.

“Mimecast” means the Mimecast entity shown in the Evaluation Order (defined below) and “**Hosting Jurisdiction**” means the jurisdiction in which the Evaluation Services (defined below) are provided, and Customer Data is stored.

1 EVALUATION SERVICES. Subject to Customer’s compliance with the terms of this Agreement, Mimecast will make the evaluation services (the “**Evaluation Services**”) available to Customer for a period of 30 days (the “**Evaluation Period**”). The Evaluation Period may be extended by Mimecast in writing (including email). The Evaluation Services will be provided in accordance with the applicable Services documentation at <https://community.mimecast.com/community/knowledge-base> (“**Documentation**”). The specific Evaluation Services subject to this Agreement, the Hosting Jurisdiction and number of Permitted Users or domains will be agreed in writing (including email) by Mimecast (“**Evaluation Order**”). For certain Evaluation Services, Supplemental Terms as set out in Appendix 1 shall apply. Notwithstanding the foregoing, the terms and conditions set out herein shall continue to apply for the duration of time that Mimecast stores or processes Customer Data provided in connection with the Evaluation Services. “**Permitted Users**” means individuals employed by or otherwise under Customer’s control and permitted to use the Evaluation Services.

2.1 Where Customer is provided Evaluation Services by Mimecast for evaluation purposes only, access to the Evaluation Services will be terminated upon expiration of the Evaluation Period, unless Customer enters into a paid subscription for the Evaluation Services on a non-trial basis prior to expiration of the Evaluation Period. Notwithstanding any provision to the contrary herein, in respect of the Evaluation Services Customer acknowledges and agrees that: (i) Mimecast has no obligation to retain Customer Data related to the Evaluation Services after termination or expiration of the Evaluation Period; (ii) either party may terminate the Evaluation Period immediately and without liability upon notice to the other party; (iii) Mimecast’s service levels and support description does not apply to the Evaluation Services; Mimecast’s maximum liability for any and all causes of action arising out of or relating to the Evaluation Services, whether in contract, tort, statute or otherwise, will be limited to \$100 (or the equivalent in the currency of the applicable Hosting Jurisdiction at the time the claim arose).

2.2 Capitalized terms used but not otherwise defined in Section 2.1, shall have the meaning given in the Existing Agreement. Acceptance of this Evaluation Agreement shall serve as an amendment to the Existing Agreement for the purposes of the Evaluation Services. Except as modified above, all terms and conditions of the Existing Agreement shall remain in full force and effect. In the event of any inconsistencies between the terms set out in Section 2.1 and any terms and conditions of the Agreement with regards to the Evaluation Services, Section 2.1 shall prevail.

2.3 With the exception of Section 13 (Sandbox Environments), the remainder of this Evaluation Agreement shall not apply to Existing Customers.

3 OWNERSHIP. Mimecast and its third-party licensors will retain all ownership interest in and to the Evaluation Services and its underlying systems. Customer’s rights are limited to those expressly stated in this Agreement. Notwithstanding any provision herein to the contrary, nothing in this Agreement is intended to limit Customer’s liability in the event of Customer’s violation of the intellectual property rights of Mimecast and any claim with respect to such violation will not be deemed governed by this Agreement. Evaluation Services must not be used or accessed for the purposes of (i) building a competitive service or comparative features; or (ii) comparative analysis (including but not limited to benchmarking) intended for use outside the Customer’s organization.

4.3 Customer is solely responsible for the acts or omissions of any user or Permitted User who obtains access to the Evaluation Services through Customer or Customer's systems. Customer will notify Mimecast promptly if it becomes aware of any unauthorized access or use. If applicable, Customer will be granted a "Super Administrator" role for Customer's Mimecast account, which will allow Customer full access to the Customer Data and the ability to configure the relevant account. Customer may assign a role to Mimecast which will allow Mimecast to access the Customer Data. In the event that such delegated access is provided, Customer will ensure that all necessary consents and authorisations have been obtained.

Customer's license to use the applications is subject to Customer's compliance with this Agreement and any associated end user license agreement made available via the application/marketplace. The term of Customer's license to use the application is coterminous with this Agreement. For the avoidance of doubt, where made available, Mimecast applications fall under the definition of Evaluation Services hereunder.

6.2 Application Program Interfaces ("API"). Customer can enable certain Mimecast APIs by requesting a Customer specific application key ("**Application Key**"). In order to gain access to an Application Key, Customer must register with Mimecast and provide the information requested. Customer is responsible for ensuring that the information provided to Mimecast is and remains accurate and up-to-date. Mimecast can revoke the Application Key at any time without notice to Customer, to protect Mimecast services and customers. All access keys, authentication procedures, and data to which Customer gains access or which is provided to Customer in connection with Customer's use of the API, excluding Customer Data, is the Confidential Information of Mimecast. In the event Customer chooses to transfer Customer Data via Mimecast APIs to third-parties, whether or not such third-parties are Mimecast technology partners, Mimecast is not responsible for the security of the Customer Data upon the Customer Data leaving the Mimecast environment and such transfer is on Customer's own volition and risk. To the extent Customer uses the Mimecast APIs the provisions of this Section 6.2 shall apply to such use as if such APIs were included in the Evaluation Services. Mimecast is not responsible for, and no representations or warranties are made regarding, Third Party Services (as defined in Section 6.3 below).

6.3 Third-Party Services. To the extent Customer Data is retrieved from or provided by Third Party Services, Mimecast will not be liable for the condition of such Customer Data, including, but in no way limited to any such Customer Data that is retrieved from or provided by Third Party Services that is incorrect, incomplete, corrupt, or missing. "**Third Party Services**" means third party products, applications, APIs, web hooks, services, software, systems, directories, websites, databases and information which Customer may connect to, permit connection to (including without limitation, where such connection is necessary to enable the Services), or enable in conjunction with Mimecast Services or Mimecast API connectors.

In the event of any conflict between this Agreement and the Data Processing Agreement, the Data Processing Agreement shall prevail. Mimecast acknowledges that, as between the parties, Customer owns and controls the right, title and interest in and to the Customer Data. With respect to any Personal Data contained in Customer Data, Customer acts as data controller and Mimecast acts as data processor. Mimecast will use and process the Personal Data solely in accordance with Customer’s Instructions, but solely during the Evaluation Period. 15.4 Any business communications in connection with this Agreement may be provided by email. Any legal notices relating to this Agreement must be provided in writing and sent to the receiving party at the address provided by such party. Except as expressly provided herein, any modification to this Agreement must be made in writing and signed by an authorized representative of each party. If any provision of this Agreement is held to be unenforceable, such provision will be reformed to the extent necessary to make it enforceable, and such holding will not impair the enforceability of the remaining provisions. Failure by a party to exercise any right hereunder or to insist upon or enforce strict performance of any provision of this Agreement will not waive such party's right to exercise that or any other right in the future.

15.6 This Agreement is entered into solely between, and may be enforced only by, Mimecast and Customer. This Agreement does not create any third-party rights or obligations thereto. Each party will be acting as an independent contractor, and nothing herein will be construed to create a partnership, joint venture or any type of agency relationship between Mimecast and Customer or any Permitted User.

15.7 Mimecast acknowledges that any limitation of liability set forth in this Agreement is intended to apply only to the extent permitted by applicable law.
